

ASSEMBLY BILL

No. 1299

Introduced by Assembly Member Nava

February 22, 2005

An act to amend Section 30200 of the Public Resources Code, relating to coastal resources.

LEGISLATIVE COUNSEL'S DIGEST

AB 1299, as introduced, Nava. California Coastal Act: policies.

The California Coastal Act of 1976 provides for the planning and regulation of development within the coastal zone, as defined. The coastal resources planning and management policies of the act, generally, provide for standards in carrying out the act as to public access, recreation opportunities, marine environment, land resources, and various designated types of development.

This bill would make technical, nonsubstantive changes in that provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
